SECTION 1
GENERAL POLICIES AND STATEMENT

OUR PROGRAM

The First Baptist Academy provides a program of classes for two-and-a-half-year-old through fifth grade students. The Academy is administered by the Director who reports to the church Administrator and a church Academy committee. We believe that children are a gift from God which you are entrusting to our care. We will love and care for your child as though he or she were one of our own, for they are precious to God.

OUR MISSION

The mission of the Academy is to extend the ministry of and help accomplish the purpose of our church by providing the highest quality child development that combines scholastic and Biblical values in a safe, nurturing environment. The education of a well-rounded child will be achieved through setting and meeting standards of excellence for each enrolled child to his/her greatest potential...spiritually, mentally, physically, emotionally, and socially. This is to be accomplished by providing developmentally appropriate activities, guidance, and by providing a program of ministry and outreach to the families of the children enrolled.

OUR CURRICULUM

Our classes are open to any child regardless of race, nationality, or religious beliefs. The curriculum is appropriately designed to the age groups and to the stage of development of each child. Since children learn best through hands-on activities, lessons are built around play and experiential learning. We believe that a child absorbs his concept of God from Scripture, people, things, and experiences that are a part of his environment. Thus, a love and appreciation for God, Christ, and the things God has made are stressed through appropriate activities. Curriculum is designed to help the child develop in all facets of his life...physically, mentally, emotionally, socially, and spiritually.

The curriculum has a unique, innovative, and balanced approach that offers a teaching framework that allows teachers to easily adapt each lesson to meet the individual needs of each student.

OUR STAFF

Many of our staff members are experienced early childhood educators. All participate in a continuous system of in-service education and studies for professional advancement to remain alert to the ever-changing needs of today's families and in accordance with the state licensing department. Each member of the Academy teaching staff is a teacher who possesses the competency and understanding essential in teaching young children as well as the basic love for children. Each teacher receives a minimum of 24 hours training/enrichment annually. The staff is certified in CPR and First Aid.

OUR FACILITIES

Our building is modern, air-conditioned, heated, and furnished with modern, comfortable equipment. All facilities are shared by the various ministries of the church. The facilities are designed for multi-organizational use and functions extremely well as the organizations share the building and all furnishings.

We have two outdoor play structures: one for children 4 years of age and younger, and another, for children three years and older. Our playground is clean, spacious and furnished with safe playground equipment. We do not go outdoors if the temperature is below 35 degrees (or chill factor below 35 degrees) or over 100 degrees (or heat index). Children should be brought to school in clothing and shoes that will enable them to play outside on the outdoor classroom/playground. If a child has recently been ill and needs to be kept indoors, it is requested the parent send a note with instructions to the school.

CLOTHING

Children need to be brought to school in clothing that will enable them to play outside during the day (when weather permits) free of fear of getting dirty. Please do not dress your child in his "Sunday best!" Comfortable, washable play clothes are requested. Tennis shoes and shoes that tie are preferred. Preschoolers (through age Kindergarten) are very active and still learning to maneuver in their environment. They need good sturdy footwear enabling them to run and play without fear of tripping or falling. A change of clothes (including underwear and socks) are always requested to be left in their backpack. **All clothing needs to be marked with the child's name.** Lost and found items are generally placed in the Director's office.

All children are requested to wear the school T-shirt on Wednesdays. These shirts are included with your registration fee.

PARENT AND TEACHER CONFERENCES

Parents desiring to discuss an issue with a teacher should request an appointment with the Director or Designee (for scheduling purposes). Arrangements for conferences or visits may be made through the Academy office or by sending a note to the teacher in the student's backpack. The Director reserves the right to be present during conferences. It is best NOT to discuss concerns over or about your child in front of her/him. We do not allow children to attend parent/teacher conferences.

SEPARATION FROM THE PARENT

Whenever a child begins school, it can be an exciting, but difficult period for the child. Your child may appear eager in the beginning but may suddenly realize you will not be there and balk at your desire to leave. This is entirely normal! Most children have little difficulty adjusting to school when a few suggestions are followed:

1. Allow the child to accompany you on your initial visits to the Academy.
2. Allow the child to bring or leave something personal at the Academy for identifying on the first day of attendance. Often teachers will ask the child to draw a picture or take a snapshot of the child at this first visit for display on a bulletin board.
3. Encourage the child to play upon arrival. Sometimes it is helpful if the parent arrives early enough to play in the activity center with a child.
4. Once the parent decides to leave, he/she needs to hug the child and say that it is time for the parent to leave. It is important that the parent do so, without temptation of staying if the child begins to cry.
5. It is desirable that parents not stand at the door or window with an expectation that the child will cry. The child will feel this apprehension and respond as the parent fears.
6. Sometimes it is helpful if a non-parent brings the child to school if difficulty continues with separation.
7. Generally, young children adapt to a new program within 2 weeks if attending a four-day program, longer if the child attends only part-time.
8. Parents need to be aware that the child may need extra time or more physical contact in the form of hugs and kisses and rocking during the first days of a new routine.

SECTION 2

ADMISSIONS POLICY

ENROLLMENT

Your child is considered enrolled when the Academy receives their application and **NON-REFUNDABLE** registration fee. Applications can be picked up at FBC, mailed, or downloaded online at www.fbcacademy.net.

NURSERY

The practice of having a nursery available during First Baptist Academy Day School operational hours is primarily to meet a need of our employed and volunteer workers. At various times, there are a few openings which become available (our goal is to maintain a maximum of a 1/3 worker/child ratio). Once our staff has been obtained (or two weeks prior to the start of school), we are then able to make announcement of how many nursery-age (birth-2.5 years of age) positions are available to accept.

We will then use the following criteria in making decisions on filling the vacancies to the best of our abilities:

1. Employees and volunteers with nursery-age children
2. Families with sibling students enrolled
3. Ministry opportunities as determined by the First Baptist Academy leadership

(Please note: The First Baptist Academy requires that you complete an Academy application according to our registration policy, however, the completion of an application does not guarantee acceptance or admittance. We apologize that we cannot give a more definite response farther in advance of the school year – our primary focus is operating the Academy for children 2.5 years of age through Fifth grade.)

AGE REQUIREMENTS

Pre K 2-A child entering Pre K 2 must be two and one half years of age by September 1

Pre K 3-A child entering Pre K 3 must be three years of age by September 1

Pre K 4-A child entering Pre K 4 must be four years of age by September 1

Kindergarten-A child entering Kindergarten must be 5 years of age by September 1

PRIORITIES

Since the Academy is a ministry of First Baptist Church of Silsbee, the following priorities for enrollment are established.

1. Students whose families are members of First Baptist Church of Silsbee.
2. Families that presently have a student enrolled.
3. Families that have had a student enrolled in the past.

TERMINATION OF ENROLLMENT

This agreement shall be terminated if any one or more of the following occur:

1. Parent chooses to un-enroll their student
2. The child's tuition account becomes delinquent.
3. Failure of the parent/guardian to honor the obligations listed on the enrollment form or any rules, regulations, or manuals provided by the Academy.
4. The Academy determines that it is unable to meet the needs of the child.
5. The Academy determines that it is not in the best interest of the Academy or other children enrolled at the Academy to have the child in attendance.
6. Failure of the child's parent/guardian to cooperate with the Academy is serious enough to warrant termination.
7. The school year has come to an end.
8. Death of the child.
9. Serious illness of the child preventing attendance.

PARENTAL NOTIFICATIONS/POLICY CHANGES

Parents will be notified of any policy changes and the Handbook will be updated online.

SECTION 3

FINANCIAL POLICY

The Academy is a religious, nonprofit school with an annual budget dependent upon the tuition of the students. Faithfulness in keeping school accounts current is necessary to maintain a balanced ministry budget.

REGISTRATION FEE

The registration fee must accompany the Enrollment Form and is **Non-Refundable**.

TUITION

Tuition is for *places reserved* for your child, not for periods of *attendance*. Please refer to the most current tuition chart for the place you wish to reserve for your child.

The monthly tuition payment is due on the first of every month. Tuition is expected regardless of vacation or illness. In the event that a payment cannot be made on the first of the month, please contact the Academy office to arrange a plan. Please make checks payable to **FBC Academy**. Please write your child's name on the memo at the bottom of your check. Online payments may be arranged through the Church office. Late fees are assessed after the 15th day of each month.

DELINQUENT ACCOUNTS

If tuition for the current month is not paid by the first of the next month, it is considered thirty days past due and delinquent. If tuition becomes past due with no arranged plan, the parent should contact the Academy office immediately before student is un-enrolled. If no payment arrangements are established and then kept current, your child will be unenrolled.

REFUNDS

Refunds of unused tuition shall be considered only if at least two weeks' notice of withdrawal has been given.

No credit shall be given in cases of absences or illnesses.

STAY AND PLAY FEES

Extend Care is also available on an as needed basis for an added fee. Any hour outside of your plan time is considered an as needed basis. Early drop off is available. Contact office for details.

SECTION 4 STUDENT CONDUCT AND DISCIPLINE

CODE OF CONDUCT

The purpose of our Academy is to provide children with quality care, education, and development to their greatest potential. These objectives can best be achieved in an environment which promotes cooperation and Christ-honoring conduct among students. Students are expected to behave in an appropriate manner.

DISCIPLINE CODE

The goal of our discipline is to direct students toward acceptable behavior that helps develop self-control and to maintain the order necessary to accomplish the spiritual, mental, physical, emotional, and social growth we desire. We do not see discipline as punishment but rather as positive correction.

Discipline must be:

- (1) Individualized and consistent for each child;
- (2) Appropriate to the child's level of understanding; and
- (3) Directed toward teaching the child acceptable behavior and self-control.

DISCIPLINARY ACTION

A teacher may only use positive methods of discipline and guidance that encourage self-esteem, self-control, and self-direction, which include at least the following:

- (1) Using praise and encouragement of good behavior instead of focusing only upon unacceptable behavior
- (2) Reminding a child of behavior expectations daily by using clear, positive statements
- (3) Redirecting behavior using positive statements
- (4) Using brief supervised separation or time out from the group's activity, as appropriate for the child's age and development, which is limited to no more than one minute per year of the child's age

There must be no harsh, cruel, or unusual treatment of any child. The following types of discipline and guidance are prohibited:

- (1) Corporal punishment or threats of corporal punishment
- (2) Punishment associated with food, naps, or toilet training
- (3) Pinching, shaking, or biting a child
- (4) Hitting a child with a hand or instrument
- (5) Putting anything in or on a child's mouth
- (6) Humiliating, ridiculing, rejecting, or yelling at a child
- (7) Subjecting a child to harsh, abusive, or profane language
- (8) Placing a child in a locked or dark room, bathroom, or closet with the door closed
- (9) Requiring a child to remain silent or inactive for inappropriately long periods of time for the child's age

Texas Administrative Code, Title 40, Chapters 746 and 747, Subchapters L, Discipline and Guidance

The Academy Director or Designee will contact the *parent* if there are any behavioral issues to be discussed. If the child continues in behaviors that are unacceptable according to the Academy guidelines/policies, then our next step is assign a discipline management plan. This plan will be decided first upon by the director and teachers of the student in a cooperative effort. If unacceptable behavior continues, the Director will request a meeting with parents and Academy administrator to decide on discipline plan. The Academy reserves the right to unenroll a student if necessary.

SECTION 5 HEALTH, ILLNESS, AND ACCIDENTS

COMMUNICABLE DISEASES

Symptoms such as severe cough, skin eruptions, sore throat, fever (above 98.6), vomiting, diarrhea, etc. will necessitate our sending your child home. Any of these symptoms are cause for you to keep your child home and away from others. A sick child who is sent home from the Academy may not return to school for **twenty-four (24) hours- or one full school day**. If a child was with fever, this period begins after the temperature has returned to normal and been normal for one full school day. This is for the protection of your child as well as the other children.

Masks: teachers and/or parents/children may choose to wear a mask at any time they feel it necessary during events/activities at the Academy.

Hand sanitizing: our staff continually encourages frequent, proper hand cleaning procedures with use of soap and water. Should a parent desire their child to use an additional method of hand cleansing (i.e. hand sanitizer, etc.), please include it in your child's backpack with proper instructions for your child to use appropriately.

Notifications will be made when there is a known communicable disease associated with the Academy.

LICE

If lice are found, that student is sent home immediately for treatment. The nits (eggs) have to be removed entirely before the student can return to school. Upon returning to school, he/she will be examined and if 1 nit is found the child will be sent home.

ILLNESS OR ACCIDENTS DURING SCHOOL HOURS

In case of accident or illness while in school, we will separate the child from other children and then contact the parent and/or persons listed on the enrollment form. It is important that the Academy has current contact information.

MEDICATIONS

TEACHERS MAY NOT ADMINISTER ANY MEDICATIONS. Medication authorization forms are available in the Academy office (**this includes diaper ointment, insect repellent, etc.**). The Director or Designee is responsible for administering or authorizing the administering of medications.

Each staff person is trained to administer emergency first aid.

HEALTH RECORDS

Each child must have an emergency treatment authorization on file in the office giving physician, the parents' contact numbers as well as persons who may be contacted if parents are unreachable.

IMMUNIZATIONS

Academy students must have a current shot record on file in the office. This is a requirement of the Texas Department of Health. Immunization records must be turned in to the Academy office within 15 days of enrollment. Failure to do so will result in the student not being allowed to attend school.

For a list of the required immunizations, please visit <https://dshs.state.tx.us/immunize/school/default.shtm>

The parent will have approximately one month to obtain these immunizations and return verification of these immunizations in writing or the student's state waiver to the Academy Office. Failure to comply by the deadline may require dismissal from the Academy.

Teacher immunizations: Our Academy staff are encouraged, but not required, to have vaccinations for preventable diseases. **(Tuberculin vaccine is not required for students or staff)**

VISION AND HEARING/SPINAL SCREENING

The state requires all children at the age of 4 by Sept 1 and those in kindergarten, 1st, 3rd, and 5th grade have a vision/hearing screening during the first 6 months of each school year. This also applies to all students that are first time entrants to The Academy. The Academy will provide vision/hearing screenings (for a fee) by a state certified screener to be done at the Academy during a school day. The Academy will accept a copy of vision/hearing screening completed by a healthcare professional if this is the parent's choice. The state requires that all girls at age 10 and age 12 undergo screening for abnormal spinal curvature. The Academy will not provide these screenings but will require a copy of the screening completed by a healthcare professional.

BREASTFEEDING

The Academy will provide a private comfortable space for a mother to breastfeed her child. Parents are able to breast feed or provide breast milk for their child while in our care.

FIRST AID PROCEDURE

If Emergency personnel are needed, the procedure is as follows:

1. **Call 911** and have emergency personnel dispatched.
2. Notify Director of the situation and that medical personnel are on their way to assess the emergency situation.
3. Notify parent of the situation.

If the situation is non emergency, the procedure is:

1. The teacher in charge will bring the situation to the attention of the Director or Designee.
2. The Director or Designee will communicate with the parent or emergency contact for the student if the situation warrants.
3. The teacher in charge completes a written report of any situation requiring first aid attention.
